GOVERNMENT RECOGNITION & OFFICIAL ENDORSEMENT

BAT Bank holds the distinguished position of being formally and officially acknowledged by Indonesia's most prestigious government institutions. Our recognition comes directly from the President of the Republic of Indonesia, demonstrating the highest level of trust and confidence in our operations.

The Ministry of Finance and Bank Indonesia (BI), the nation's central bank, have officially endorsed our role in the financial sector. This triple endorsement from executive, fiscal, and monetary authorities establishes BAT Bank as a trusted custodian of national financial interests.

Most significantly, we have been appointed as steward and custodian of sovereign wealth funds valued at over USD 10 trillion, representing an unprecedented level of institutional trust and responsibility.

STRATEGIC ASSETS & GLOBAL COLLATERAL PORTFOLIO

**USD 17
TRILLION**

Total asset base valuation supporting our financial instruments and operations

✓ West Papua Gold Reserves

Verified in-ground gold reserves in West Papua certified under NI 43-101 international standards. These geological assets provide substantial collateral backing for our financial instruments and represent one of the largest verified gold deposits in the region.

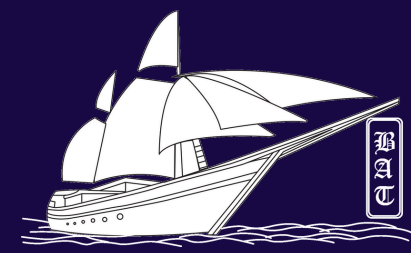

✓ Historical Indonesian Assets

Custodial oversight of historical Indonesian government assets held at UBS Switzerland. These legacy holdings have been specifically mandated for BAT custodial management, representing decades of accumulated sovereign wealth.

✓ African Kingdom Assets

Exclusive custodial rights over assets in several African Kingdoms, providing geographic diversification and access to unique investment opportunities across the African continent.

This diversified asset base enables us to issue and support seamless fungible financial instruments with unparalleled backing and security for our institutional clients.

FINANCIAL INSTRUMENTS & CUSTODIAL SERVICES

BAT Bank specializes in enhancing and facilitating sophisticated financial instruments designed for institutional clients and qualified investors. Our expertise spans the full spectrum of custodial and trade finance solutions.

Our Platinum Membership Program provides privileged access to carefully curated structured transactions for qualified institutional clients.

Custodial Deposit Receipts (CDRs)

Enhanced CDR programs backed by our substantial asset base, providing clients with secure and verified custodial solutions for large-scale deposits and holdings.

Standby Letters of Credit (SBLCs)

Premium SBLC issuance supported by our USD 17 trillion asset base, offering unmatched security and reliability for international trade transactions.

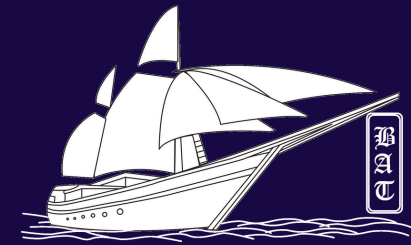

Bank Guarantees & Proof of Funds

Comprehensive bank guarantee programs and verified proof of funds documentation, essential for large-scale infrastructure and investment projects.

Structured Yield Programs

Exclusive structured yield programs available on invitation basis, designed for sophisticated investors seeking enhanced returns through carefully curated opportunities.
